STATIC DISSIPATIVE BRUSH WITH CARBON FIBER FILAMENT BRISTLES

3" Brush Attachment

This 3" Dusting brush features conductive, synthetic, carbon-fiber-filament bristles and a conductive housing. It interfaces with the 19" primary wand (N1023364), the 14" extension wand (N1023362), the curved handle wand (N1023376), or the N1023607 Universal Adapter (1¹/₄" to 1¹/₂"). Outlet dimensions: 1¹/₄" ID, 1.4" OD. This unit is constructed of 10⁵ to 10⁷ conductive plastic. Brush attachment meets Statically Dissipative USPS Preferred Range.

Compatible with 1¹/₂" cuff
when primary wand is used.
